Under the provision of Affidavit Based Certificate system an acknowledgement certificate vide No.2604021014630-f1 dated 28.09.2021 was issued as NoC for construction of industry and installation of machineries.

The following issues were observed in the implementation of the project proposal

1. Complaints were received from Grampanchayath and Public in establishing the unit at Somalapura, Sandur Taluk, Ballari District.
2. Company has not furnished the consent letters/ sale deed executed with land owners on the land extent approved for the project.
3. M/s MSPL is also holding certain parcel of land in the approved land of the proposed project.
4. The land extent and the land purchased by the company is not clear.

Letter from the company dated 05.07.2022 briefed the following on status of implementation of the project;

1. **Land:** Out of 440 approved under SUC, KIADB allotted 156.01 acres and allotment of balance is in progress
2. **Power:** KPTCL approved for power supply of 36 MVA for the project
3. **Water:** WRD permitted 6600 KLD of water from TB dam on the consent of TB Dam Board.
4. **Environmental Clearance:** Recently public hearing for environmental clearance has been completed and expected the clearance shortly
5. **Technology and Machinery:** The technology and machinery supply for the project has been finalized

The company informed that they faced issues with Yeshwantnagar Gramapanchayath in obtaining NoC, in this regard Industries Department issued an acknowledgement certificate under Affidavit Based Clearance system to the company. Further, issue regarding litigation of land owners is delayed the process in acquiring the land by KIADB.

Preamble:

M/s ACME Cleantech Solutions Private Limited has proposed to set up 3300 MTPD (1.1 MMTPA) Green Ammonia Plant in 100 acres of land at MSEZ, Mangaluru or any of the KIADB Industrial Area, subject to availability and additional 400 acres of private land to be identified by the company in Udupi/Uttara Kannada/ Dakshina Kannada Districts and 4.95 GW of Solar Power Plant in 33,000 acres of Govt./ Private land in Tumkuru and other Districts in Central Karnataka region on lease basis, with an investment of Rs. 51,865 crore, generating employment to about 2870 persons.

M/s ACME Cleantech Solutions Private Limited was incorporated in 2003, is part of ACME Group and is having registered office at Plot No. 152, Sector 44, Gurgaon, Haryana. The Group is engaged in development, construction, and operation of large-scale solar power projects and Green Ammonia plant across different states like Gujarat, Madhya Pradesh, Odisha, Chhattisgarh, Punjab, Andhra Pradesh, Telangana, Bihar, Uttar Pradesh, Uttarakhand, Karnataka and Rajasthan.

ACME Group is the leading solar power developer having developed and under construction project solar portfolio of ~9.4 GWp. The company currently operates over ~1.5 GWp of capacity with another ~3.1 GWp under different phases of construction in India and 3.5 GWp under development in Oman.

ACME Group is planning to setup a 3300 MTPD (1.1 MMTPA) Green Ammonia Plant and 4.95 GW of Solar Power Plant in the state of Karnataka. The said unit will produce Green Hydrogen and Green Ammonia using renewable solar energy by deploying a chemical process known as Haber-Bosch process.

In the 98th Land Audit Committee meeting held on 13.10.2022, the representative of the company appeared before the Committee through V.C and

highlighted the project proposal and requested to approve the project in 2 phases as follows:-

- **1st phase** will have an investment of Rs. 5,300 crore generating 1750 employments, requiring 3500 acres of Government land on lease basis for a period of 40 years and lease extendable for a further period of 40 years. Period of completion of this phase of investment is two years from the date of possession of land.
- **2nd Phase** of the project involves an investment of Rs. 46,565 crore, generating 1310 employments, requiring 30,000 acres of Government land on lease basis for a period of 40 years and lease extendable for a further period of 40 years. Period of completion of this phase is 4 years from the date of possession of land.

The Committee noted the request of the company, land utilization details and after detailed discussions, resolved to recommend to SHLCC for approval of the project of M/s ACME Cleantech Solutions Private Limited to establish:

1. 3300 MTPD (1.1 MMTPA) Green Ammonia Plant in 100 acres of land at MSEZ, Mangaluru subject to availability or any of the KIADB Industrial Area and additional 400 acres of private land to be identified by the company in Udupi/Uttara Kannada/ Dakshina Kannada Districts.
2. 4.95 GW of Solar Power Plant in 33,000 acres of Govt./ Private land in Tumakuru and other Districts in Central Karnataka region on lease basis.

The above approval is subject to:

- Non violation of non alienation clauses like PTCL, Inam land, Iluvuri land, Govt. land, Nala land, Bandidari land etc., under various Acts and subject to obtaining necessary clearances from Revenue Department/Concerned authorities.
- In case of purchase/lease the Government land, the company has to take approval from Revenue Department and concerned authorities.

The proposal of the Company placed in the 60th State High Level Clearance Committee (SHLCC) meeting held on 22.10.2022 for discussion and decision. The Committee noted the details of the project proposal and after detailed discussion resolved to approve the project proposal of M/s ACME Cleantech Solutions Private Limited.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Approval to the project proposal of M/s Avaada Ventures Private Limited to establish “1.0 Million Ton Per Annum Green Ammonia at MSEZ, Mangaluru or any of the KIADB industrial area or any other private land in Udupi/Uttara Kannada/Dakshina Kannada Districts and 2000 MW Solar/Wind Power Plant in different locations across Karnataka State.

Read: 1. Proceedings of the 98th Land Audit Committee (LAC) meeting held on 13.10.2022.
2. Proceedings of the 60th State High Level Clearance Committee (SHLCC) meeting held on 22.10.2022.

-:0:-

Preamble:

M/s Avaada Ventures Private Limited has proposed to establish “1.0 Million Ton Per Annum Green Ammonia in 100 acres of land at MSEZ, Mangaluru or any of the KIADB industrial area or any other private land to be identified by the company in Udupi/Uttara Kannada/Dakshina Kannada Districts and 2000 MW Solar/Wind Power Plant in 10,043 acres of Private/ Government land on lease or purchase basis to be identified by the company in different locations across Karnataka State, with an investment of Rs. 45,000 crore, generating employment to about 14000 persons.

M/s Avaada Energy established in 2017 is the flagship company of the Avaada Group with a renewable energy portfolio of 5 GW out of which 4 GW is operational and balance under advance stage of construction. Avaada Energy installed 1 GW in the calendar year 2021 which is the largest among all the renewable energy IPPs in India, despite COVID challenges. Avaada Energy has unmatched quality standards and targets a portfolio of 11 GW of renewable energy projects by 2025 and 30 GW by 2030.

The proposal of the company is to set up a manufacturing unit of 1.0 Million Tons per Annum of Green Ammonia Plant. It is considered that hydrogen generated would be used for different uses. Ammonia would be produced from green hydrogen and nitrogen. Brief scope is as follows:

- Design of a water electrolysis plant for hydrogen production with a nominal power as per the capacity of Green Ammonia Plant and it will be connected to a dedicated substation within the plot itself, which will in turn be connected to the existing electrical substation and to the water supply network of Municipality.

The connection to the plant network will be through the local network and with Certificates of Origin that guarantee that the energy comes 100% from renewable sources, so that the hydrogen obtained will be categorized as green.

- Design of an air separation unit (ASU), to obtain the nitrogen required in the synthesis of ammonia, as well as in auxiliary services.
- Design of a green ammonia plant, with a minimum capacity of 1 Million Tons per Annum, whose synthesis gas comes from a mixture of green hydrogen produced in the electrolysis plant and nitrogen captured from the air in the ASU, also without associated emissions.

In the 98th Land Audit Committee meeting held on 13.10.2022, the representative of the company appeared before the Committee through V.C. and highlighted the project proposal and requested for approval of the project.

The Committee noted the request of the company, land utilization details and after detailed discussions, resolved to recommend to SHLCC for approval of the project of M/s Avaada Ventures Private Limited to establish:

1. 1.0 Million Ton Per Annum Green Ammonia in 100 acres of land at MSEZ, Mangaluru or any other land in KIADB industrial area or any other private land to be identified by the company in Udupi/Uttara Kannada/ Dakshina Kannada Districts.
2. 2000 MW Solar/Wind Power Plant in 10,043 acres of Private/ Government land on lease or purchase basis to be identified by the company in different locations across Karnataka State subject to:
 - Non violation of non alienation clauses like PTCL, Inam land, Iluvuri land, Govt., land, Nala land, Bandidari land etc., under various Acts and subject to obtaining necessary clearances from Revenue Department/Concerned authorities.
 - In case of purchase/lease the Government land, the company has to take approval from Revenue Department and concerned authorities.

The proposal of the Company placed in the 60th State High Level Clearance Committee (SHLCC) meeting held on 22.10.2022 for discussion and decision. The Committee noted the details of the project proposal and after detailed discussion resolved to approve the project proposal of M/s Avaada Ventures Private Limited.

Government has examined the recommendations made by the 60th SHLCC Meeting in all aspects.

PROCEEDINGS OF THE GOVERNMENT OF KARNATAKA

Sub: Amendment to the earlier approved project proposal of M/s Embassy Industrial Parks Private Limited to establish "Industrial and Logistics Park" at Billanakote and other Villages of Nelamangala Taluk, Bengaluru Rural District.

Read: 1) Government Order No. CI 55 SPI 2019, dt. 05.03.2019.
2) Government Order No. CI 55 SPI 2019, dt. 05.05.2021.
3) Proceedings of the 60th State High Level Clearance Committee (SHLCC) meeting held on 22.10.2022.

--0:-

Preamble:

The Project proposal of M/s Embassy Industrial Parks Private Limited to establish "Industrial and Logistics Park" with an investment of Rs.925.10 crore in 125 acres of KIADB land at Billanakote and other Villages of Nelamangala Taluk, Bengaluru Rural District was approved in 52nd SHLCC meeting held on 03.12.2018 after completion of acquisition process and subject to demarcation of land for MMLP. Accordingly, Government Order read at (1) above was issued.

Further, Extension of time by 2 years to implement the project of M/s Embassy Industrial Parks Private Limited was approved vide Government Order read at (2) above.

Effective steps taken in implementation of the project proposal:

1. M/s Embassy Industrial Parks Private Limited paid a sum of Rs.1,30,72,938/- towards initial deposit on 13.08.2019.
2. M/s Embassy Industrial Parks Private Limited was informed vide KIADB letter dated 14.11.2019 to remit the balance 30% initial deposit of Rs.50,98,44,562/- within seven days, failing which, the offer of allotment would be withdrawn.
3. Due to non-payment of balance 30% initial deposit by M/s Embassy Industrial Parks Private Limited, the offer allotment of 125 acres of land in Dobaspet 5th phase industrial area was withdrawn and the same was informed to the company vide KIADB letter dated 05.12.2019.
4. M/s Embassy Industrial Parks Private Limited vide their letter dated 23.04.2021 requested to withdraw the letter dated 05.12.2019 cancelling the offer of allotment of land stating that, in the absence of clear demarcating of land along with details of sy.nos., they have limitations to make the payment and requested to restore the allotment of 125 acres of land in their favour and also provide the details of land.
5. Considering the request of the company, the Government in Commerce and Industries Department vide Government Order No. CI 55 SPI 2019, dated 05.05.2021 has granted extension of time for further period of 2 years

in favor of M/s Embassy Industrial Parks Private Limited for implementation of the project approved earlier in 52nd SHLCC meeting held on 03.12.2018.

6. M/s Embassy Industrial Parks Private Limited has paid a sum of Rs.57,33,22,063/- towards balance 30% initial deposit on 01.06.2021 and an extent of 125.00 acres of land in Block Nos.1-A, 1-B, 1-C of Dobaspet 5th phase Industrial Area has been allotted in favour of M/s Embassy Industrial Parks Private Limited vide allotment letter of KIADB dated 08.06.2021.

Request of the company for change of company name:

The project proponent vide letter dated 22.02.2022 informed that, the plot has been already allotted to Embassy Industrial Parks Private Limited and requested that the said allotment and thereafter the possession and the lease deed to be made in the name of M/s Embassy Industrial Park Hosur Private Limited, it is an 100% wholly owned subsidiary of M/s Embassy Industrial Parks Private Limited.

The allotment in the name of this wholly owned subsidiary, is more efficient as they can carry out the project in a separate project specific special purpose company. It also enables to secure better project financing from banks exclusively.

- M/s Embassy Industrial Parks Private Limited established in the year 19th Jan, 2015.
- M/s Embassy Industrial Park Hosur Private Limited, a 100% wholly owned subsidiary of M/s Embassy Industrial Parks Private Limited established on 6th October, 2018.
- The Company name M/s Embassy Industrial Parks Private Limited has been changed to M/s Horizon Industrial Parks private limited on 2nd December, 2021.

Now, the company requested for transfer of approval from M/s Embassy Industrial Parks Private Limited to M/s Embassy Industrial Park Hosur Private Limited (subsidiary of M/s Horizon Industrial Parks Private Limited- formerly known as M/s Embassy Industrial Parks Private Limited).

The company justified that the transfer of name of the project as that the allotment in the name of this wholly owned subsidiary is more efficient as they can carry out the project in a separate project specific special purpose company. It also enables them to secure better project financing from banks exclusively. The company have obtained ROC, MOA & AOA for the proposed company name M/s Embassy Industrial Park Hosur Private Limited (subsidiary of M/s Horizon Industrial Parks Private Limited- formerly known as M/s Embassy Industrial Parks Private Limited) and the company is a wholly owned subsidiary of their parent company and there is no change in its shareholding pattern.

Recommendation of 94th Land Audit Committee meeting held on 26.04.2022:

The representative of the company appeared before the Committee through V.C and requested for approval for transfer of approval from M/s Embassy Industrial Parks Private Limited to M/s Embassy Industrial Park Hosur Private Limited.

The Committee noted the followings:

- M/s Embassy Industrial Parks Private Limited established in the year 19th January, 2015.
- M/s Embassy Industrial Park Hosur Private Limited - subsidiary of M/s Embassy Industrial Parks Private Limited, established on 6th October, 2018.
- M/s Embassy Industrial Parks Private Limited has obtained the approval for establishment of Industrial and Logistic Park vide Government Order No. CI 55 SPI 2019, dated 05.03.2019.
- The Company name M/s Embassy Industrial Parks Private Limited has been changed to M/s Horizon Industrial Parks Private Limited on 2nd December, 2021.

After detailed discussions, the Committee decided to recommend to SHLCC for approval for change of company name in the Government Order No. CI 55 SPI 2019, dated 05.03.2019 as M/s Horizon Industrial Park Private Limited as per ROC dated 02.12.2021 and then transfer of approval from M/s Horizon Industrial Park Private Limited to M/s Embassy Industrial Park Hosur Private Limited (subsidiary of M/s Horizon Industrial Parks Private Limited - formerly known as M/s Embassy Industrial Parks Private Limited) subject to KIADB transfer policy in vogue.

Decision of 59th SHLCC held on 05.08.2022:

The Committee resolved to defer the request of the company for change of name and transfer of approvals from M/s Embassy Industrial Parks Private Limited to M/s Embassy Industrial Park Hosur Private Limited (subsidiary of M/s Horizon Industrial Parks Private Limited - formerly known as M/s Embassy Industrial Parks Private Limited). The project proponents to furnish detailed information and reasons for change of name as proposed.

Request of the company letter dated 16.08.2022:

Company submitted explanation/rationale for change of the name of the Company to which the subject plot has been allotted from Embassy Industrial Parks Private Limited to its 100% subsidiary company Embassy Industrial Park Hosur Private Limited as follows:

1. The Company has the strategy of undertaking individual projects in separate project specific companies that are incorporated as individual subsidiary companies.
2. Executing projects in individual Companies is more efficient; it enables securing better project financing from public sector as well as private sector

Banks. It avoids the need for cross collateralizations with other projects – helps obtain exclusive financing that are ring – fenced. Such an arrangement is quite an industry norm and practice in infrastructure and development projects.

3. Embassy Industrial Park Hosur Private Limited is a wholly owned subsidiary and there is no change in its shareholding and directorship.

Company informed that, the legal name of Company was changed to Horizon Industrial Parks Private Limited from i.e., Embassy Industrial Parks Private Limited, with effect 02 December, 2021 as approved by office of the Registrar of Companies. The revised certificate of incorporation reflecting the change of name was also submitted. The Company has undergone a comprehensive rebranding exercise for all its industrial and logistics park projects and being branded as “Horizon Industrial Park”. To align the new brand name of the parks with the name of the parent and holding company, the legal name of Embassy Industrial Parks Private Limited was changed following due process under the Companies Act, 2013. There is no change in shareholding of the Company.

Company also made 100% payment of the cost of the land and other charges as demanded by KIADB in its allotment letter.

In the 60th State High Level Clearance Committee (SHLCC) meeting held on 22.10.2022, the proposal of the Company was discussed and approved.

Government has examined the recommendations made by the SHLCC in its 60th SHLCC Meeting, in all aspects.

Hence the following order.

GOVERNMENT ORDER No. CI 381 SPI 2022, BENGALURU.
DATED 28.11.2022

Government is pleased to accord approval to the project proposal for transfer of approval from M/s Horizon Industrial Park Private Limited to M/s Embassy Industrial Park Hosur Private Limited (subsidiary of M/s Horizon Industrial Parks Private Limited - formerly known as M/s Embassy Industrial Parks Private Limited) subject to KIADB transfer policy in vogue.
